

TAKE ADVANTAGE OF 2026 SECTION 179 TAX SAVINGS

- ✓ In 2026, businesses may deduct up to \$2.56 million on qualifying CNC machine tool purchases.
- ✓ Applies to both new and used equipment placed into service by December 31, 2026.
- ✓ 100% bonus depreciation remains available—potentially allowing full first-year write-off.
- ✓ Supports investments in upgrades, production expansion, or equipment replacement.
- ✓ Equipment must be purchased and operational before year-end to qualify.

WHO IS IEC?

Industrial Equipment Capital is an industry leader providing financing and leasing to manufacturing companies nationwide.

Whether you are a one-person shop or a fortune 500 firm, they have the resources, experience, and commitment to provide your company with low-cost financing solutions.

Section 179 Calculator

2026 Deduction Limit:

\$2,560,000

Bonus Depreciation for 2026:

100% (effective after 1/18/26)

This deduction is good on new and used equipment. To take the deduction for tax year 2026, the equipment must be purchased and put into service between January 1, 2026 and the end of the day December 31, 2026.

Note: These calculations are only estimates as every company's tax situation is different. Be sure to consult with your tax advisor to confirm eligibility and specific advice.
